Personal skills and competences	I am a very sociable person, good at analysis of the needs in both personal and business contexts in order to accompany the company into the world of business. This involves developing the existing skills and making them respond to the needs of the student/tourist / customer as well as supporting corporate communication (internal and external), in particular through the use of the social and digital media, enabling the company to convey the added value of services offered and in collaboration with local pre-existing partners.						
Mother tongue(s)	Specify mother tongue (if relevant add other mother tongue(s), see instructions)
